

# Terms of Use

These Terms of Use ("terms") are applicable to all users of Cultural Heritage Repository - CHERE ("service"). Users must read, understand and accept these Terms when accessing this service. If a given user has not done this, or does not agree with the contents of these Terms of Use, that user must not create an account and should not make use of any of the services provided via this service.

By accepting these Terms of Use, the user enters into an agreement with University of Banja Luka ("the service provider") made up by the contents of these Terms, in order to regulate the user's access and use of the service. Users which accept these Terms of Use hereby represent and warrant that:

- They accept to be bound by these Terms of Use, either individually, or in representation of an organisation;
- They are capable, under the terms of the law applicable to them, to be legally bound by and comply with these Terms of use;
- Their use of the service will be carried out in accordance with all applicable laws and regulations.

For information on the processing of personal data on users which is carried out via the service please see the Privacy Policy.

## **1. Services provided**

The service is cloud application that provides users with tools that enable them to process, analyze and visualize data. The service currently provides two main tools: Structure-from-Motion and BigBlueButton recording service. Structure-from-Motion service enables users to use the service to reconstruct the textured 3D model from a series of 2D images (photographs) of an object of interest. This tool also provides means to visualize generated 3D models and perform measurements on them. BigBlueButton recording service enables users to convert recorded BigBlueButton meetings to standard single-file video format such as MP4 or WEBM.

## **2. Copyright / Intellectual Property**

Users may not use the service in violation of the copyrights, trademarks, patents or trade secrets of third parties, nor shall they utilize the service to publish such materials in a manner that would expose them to public view in violation of the law.

## **3. Membership or subscription fees**

The service is free for all allowed users. Registration is required to process input data, while it can be possible to access public results without registration. Users agree to keep their access credentials confidential and will be responsible for all use of their account.

## **4. User data protection**

The output of the service belongs to the users and we have no authority to use these results for our own benefit or to share them with others. Other users can only access maps if the owner has marked them as public.

## **5. Liability**

The service shall not be liable for any damages suffered as a result of your use of this website or your use, modification, submission, copying, distribution, or downloading of the materials. The provider takes all reasonable measures to achieve the availability of the service; however, the provider does not provide any availability warranty in any case such that it can be held accountable and/or responsible for direct or indirect damages which are due to loss of the service for any time period.

## **6. Disclaimer**

The materials on the website are provided "As is" and all express or implied conditions, representations and warranties are disclaimed by the service and its third party providers. Neither the service nor its third party providers make any representations, warranties, or guaranties as to the quality, suitability, truth, accuracy or completeness of any of the materials contained on the website.
